Tasting Notes: 100% honey wine with strawberry and vanilla. Bold aroma of strawberry with a subtle hint of vanilla on the nose.

Food Pairings: Finishes with a full creamy taste sensation. Pairs well with Boursin™, mild goat and nutty cheeses.

Winemakers/ Viticulture Notes: Made with local wildflower honey fermented traditionally to dry the sweetened back with the same honey just enough to soften the bitterness of the alcohol and give it the rich honey aroma and taste. It is sweet in a rich way like eating a strawberry vanilla yogurt.
