Tasting Notes: Aromas of honey-crisp apples and melon with soft fruit and well-balanced acidity on the palate.

Food Pairings: Pairs well with nutty cheese, poultry, white fish and Northern Italian dishes.

Winemakers/ Viticulture Notes: Riesling is an aromatic grape variety displaying flowery, almost perfumed, aromas as well as high acidity., Riesling is a variety which is highly "*terroir*-expressive". The international Riesling scale is a must to allow the consumer to see if the style is dry, medium, or sweet. Our Riesling is on the medium dry side of the scale but appeals to those who like a sweet or dry Riesling.
