Appellation: New York State

**Tasting Notes:** A sweet fragrant and fruity white wine with an intense grape flavor and sweet yet clean finish.

**Food Pairings:** Sweet Diamond wines have pineapple and tropical fruit flavors- perfect for a summer picnic, poolside, served with fruit, poultry, or seafood. Pairs well with cheese, desserts, Asian, Thai and Indian cuisine. Serve chilled.

**Winemakers/ Viticulture Notes:** Moore's Diamond is a cross between Concord and Iona. The fruit resembles Niagara with smaller berries. Diamond is one of the few white American varieties that have been used to produce a sweet or dry table wine.
